## Accommodation

---

There are not many hotels near UNIWA. As a general recommendation:

1. Book a hotel near metro line 3, and near the center, (at stations Megaro Mousikis, Sindagma<sup>1</sup>, Evangelismos, Monastiraki there are plenty of options) which will allow you to be in Egaleo station in less than 30 minutes maximum if you select one of the previous stations. From there you can take a bus or even a taxi (the latter will take less than 10 mins to reach our premises and if you walk up to Thivon street on the direction towards Piraeus, about 200 meters from the station, it will take you about 5 minutes).
2. Book a hotel near UNIWA (near Karaiskaki square or Pireos street, which will be about 15 minutes by Taxi from UNIWA).
3. Book at **Alfa Hotel**, located at Grigoriou Lambraki 11, Nikaia, 18454, Greece, which is within walking distance (5 mins) from the University. Reviews on the internet indicate that offered services are at a good level.

You can book any hotel at the center (Sindagma, Monastiraki, Acropoli) which are all very near to the historical center where there a lot of options regarding restaurants, bars and cafes. You will find a lot of hotels there and since the competition is high, you may get a good value for your money, while the historical center is within walking distance (less than 5 minutes).

<sup>1</sup> Though Sintagma is a hub (buses to the airport also leave from here), and is on the direct (line 3 to Egaleo), you should be careful, as some times the station is closed.

Evangelismos station is a bit further away (20-30 minutes walk to the historical center, but only a few minutes away from the previous metro stations). From Evangelismos metro station there is a direct metro line (line 3), which takes you in about 30 mins to Egaleo metro station and can take you also directly to the airport (about 40 mins trip, with the trains to the airport leaving every 30 mins, while you should calculate about 10 mins walking to the terminals). Near Evangelismos, there are 4 and 5 star hotels. For example, **Best Western Ilissia** (next to the Hilton) is a good choice. If you can afford (or your organization has a special arrangement), hotels like **the Hilton, Crown Plaza** and **Divani Caravel** are located within a distance of 500 meters from Evangelismos station,

A good (quite inexpensive) choice is **Stanley hotel**, which is close (by taxi <10 mins) and 100m from a metro station (Odysseos 1- Karaiskaki Sq, Athens, 10437, Greece). There is not much to do or see in the area, but it is located 50 m from a metro station, from which you can go anywhere very quick. Right next to it, is **Wyndham Grand Athens** (Megalou Alexandrou 2, Athens, 10437, Greece –), which has good reviews. Further down the road (towards the University, is **Jason Inn**), about 500-600 meters away (12 Ag. Assomaton Street, Athens, 105 53, Greece), very close to an area with many restaurants and cafes, and very close to Acropolis.
